2 JVDS: Plus uh, she – she asked to go back to her hotel but I was just trying to get dropped off a  
3 little bit further away from her hotel so we could uh, walk back to her hotel and I might  
4 still get a chance to – to be with her.

5 BUTLER: Okay.

6 JVDS: That's what I was hoping for.

7 BUTLER: Okay, so what happens?

8 JVDS: Uhm, yeah, and Deepak drops me off at another place, uh, a little right of the - of the  
9 Marriott Hotel known as The Fisherman's Huts. Uhm, this place uh, is not so far from,  
10 you know, the next hotel is the Marriott, and the next hotel after that is a – another  
11 Marriott, which is a timeshare. And then it's the – the Holiday Inn. Uhm, we – we walk  
12 along the beach. Uh...

13 BUTLER: Alright uhm, do Deepak and Satish get out? Come with...uh, what – what – what  
14 happens?

15 JVDS: No, uh Deepak and Satish leave. Uh, they uh leave uhm, they go back to their home, I  
16 assume they go back to their home. Uhm, they get in their car and they leave. Uh, I'm  
17 actually with uh, I'm actually with uh, with Natalee, walking along the beach. Uh, I find  
18 a space before we get to the, before we get to the Marriott Hotel, where I lay her down,  
19 we lay down together in the sand and uh, we start kissing each other. I start – I get her  
20 to kiss me again and we start kissing each other. And uh, I start feeling her up again and  
21 she tells me no. She tells me she doesn't want me to – to feel her up. Uh, I insist. I  
22 keep feeling her up either way. Uhm, and uh she knees me uh, she ends up kneeling me  
23 in the crotch. Uh, when she knees me in the crotch, uh, I get up, uh, on the beach and I  
24 kick her ex – extremely hard in – in the face. Uhm, yeah, she's laying down uh,

25 unconscious, possibly even uh, even dead, but definitely unconscious. And uhm, I see  
26 uh, right next to her there's a – there's a huge uh cinderblock laying on the beach.

27 BUTLER: When you say cinderblock, uhm, I'm looking at the walls of this uhm place, is it like  
28 those?

29 JVDS: Exact same cinderblocks. I see a – a huge cinderblock laying on the – on the beach. Uh,  
30 I take this and uh, yeah, I – I – I smash her head in with it completely. Uh, yeah, her face  
31 basically, you know, uh collapses in. Even though it's dark, I can see her face is collapsed  
32 in. Uhm, afterwards I don't exactly know uh, what uh, you know, I'm – I'm scared. I  
33 don't know what to do. Uh, and I uh, I decide to – to take her and uh – uh to put her  
34 into the ocean. So I grab her and I – I half uh, half pull and half walk with her into the  
35 ocean. Uhm, I uh, I push her off. Uh, I walk up uh, up to about my knees into the ocean  
36 and I push her off into – into the – into the – into the sea. Uhm, and uhm, yeah, after  
37 that I – I get out. I – I walk home.
